HELP! HELP! HELP!

IN THE EARTH THEY HAVE A LOT OF PROBLEMS WITH THE PLASTIC.

SOMEONE NEED MY HELP!

WE DON'T HAVE TIME TO WAIT, IT'S TIME TO HELP THEM!

I'M GOING TO THROW THE SPRAY OF THE FORMULA IN THE EARTH.

OH NO, THIS DOESN'T WORK!

WE HAVE TO SEARCH ANOTHER SOLUTION

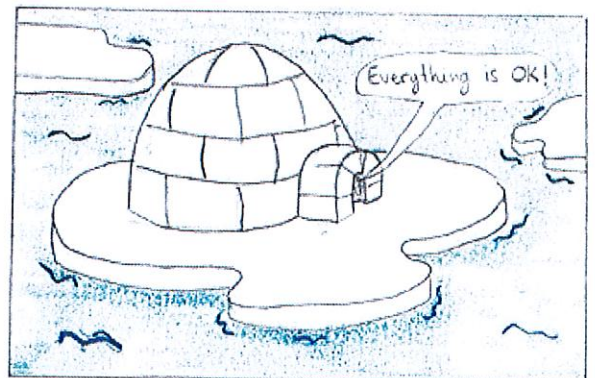

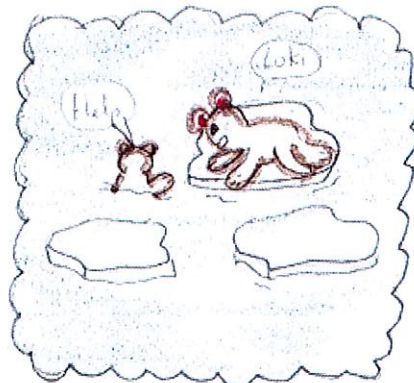

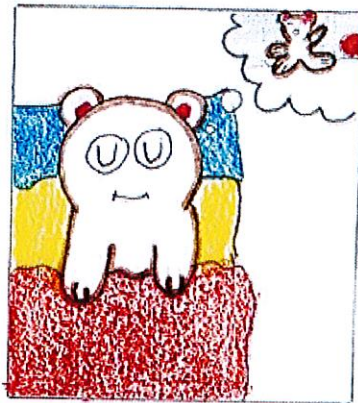

EUREKA!

WE HAVE TO REBASE THE HUMAINS TO THE EARTH DURING ONE HUNDRED YEARS AND AFTER THE EARTH WILL BE PERFECT TO RETURN

empty oceans

there are natural and artificial ways to release CO₂ into the atmosphere.

one of the consequences of this is the melting of the polar caps.

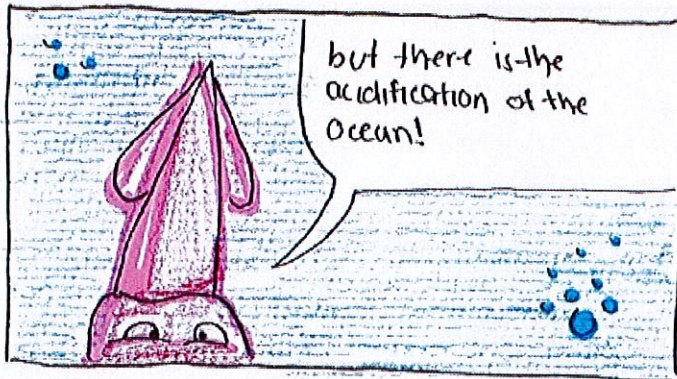

another is the rise in sea level

something good for us!

but there is the acidification of the ocean!

CO₂ from the atmosphere is transferred to sea increasing the pH

but there is another consequence

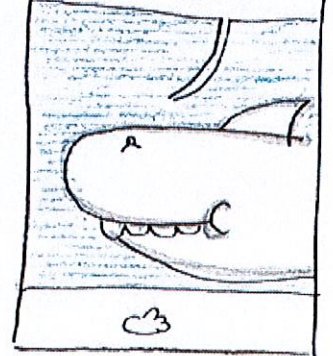

which?

makes it difficult for us to spot predators

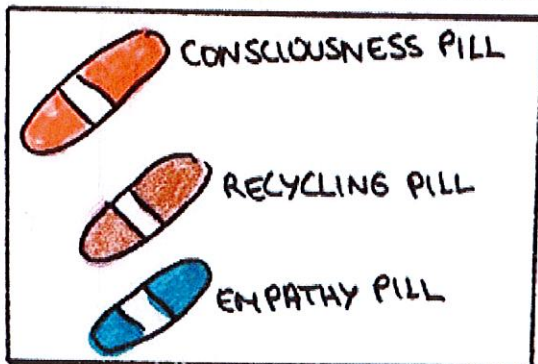

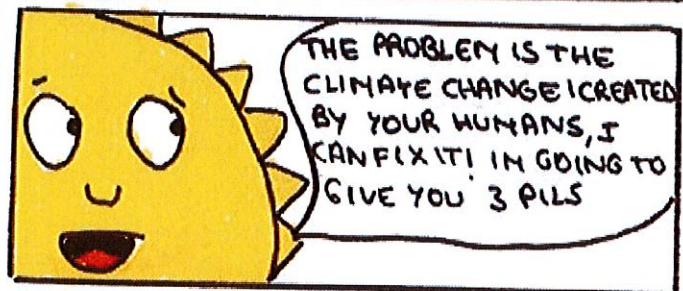

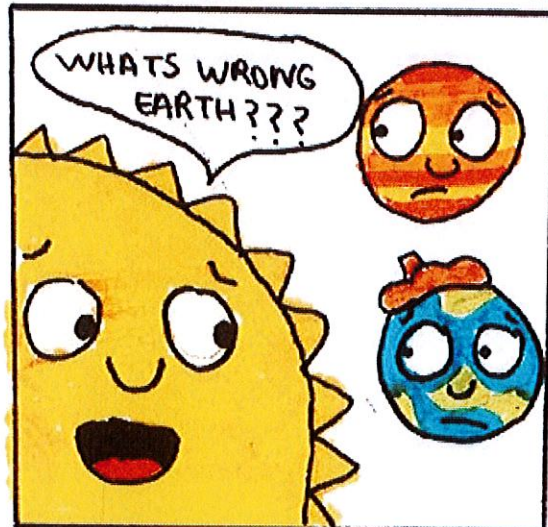

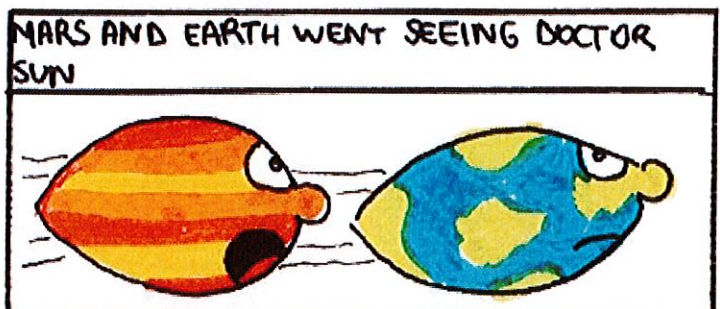

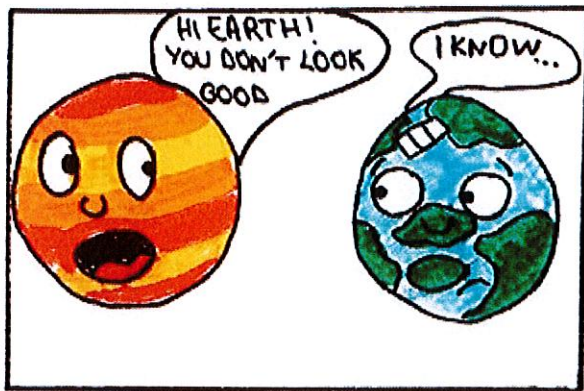

for me it's ok

NEW LIFE FOR THE BEACH

The Potion shop 

It was a calm day in a witch commune

I'm so excited! It's a brand new day of potion making! Yeah!!!

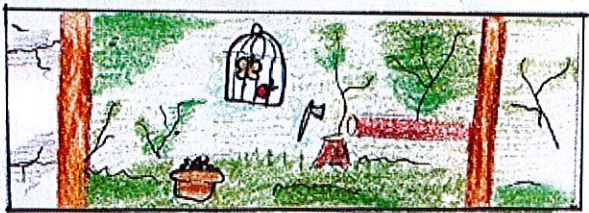

Hope there won't be lots of orders!!

Come on! You do your work!

Okay, Mylo, I'll be quick!

Oh! Woo!! They're destroying the whole forest, they will kill all the flora and fauna!

Oh, Mylo!! I have bad news, your employees are destroying the whole forest. Without animals or plants, we can't live!

Don't worry! They won't chop down the whole forest, they are just picking some ingredients. Now, after we

In fact, we're making good money from this, what's more important, we're making a stupid forest
